You and Dbvisit may update or vary that scope and/or estimated period of the Implementation Services by mutual agreement from time to time throughout the provision of the services, however you acknowledge that any such update or variation may

result in an increase to the Fees, or any estimate of the Fees payable provided to you by Dbvisit.

Dbvisit will make any such estimates in good faith, however such estimates are non-binding, and you must pay Dbvisit the Fees in respect of the total actual time spent by Dbvisit in providing you with Implementation Services regardless of any estimates given.
- 5.3 If the Fees are based on an hourly consulting rate then Dbvisit will maintain a record of the time spent in providing you with Assistance and will make those records available to you on request.
